Stay informed  
and entertained with  
**Amazon Alexa** integration.

## Talk to your Community

You can now use your Alexa device to access information within your community.

Activate your command by saying, **“Alexa, ask my community...”**

- ✔ **Schedule:** “Alexa, ask my community what is on my schedule for today.”
- ✔ **Activities:** “Alexa, ask my community what activities there are today.”
- ✔ **Birthdays:** “Alexa, ask my community if there are any birthdays today.”
- ✔ **Dining:** “Alexa, ask my community what is on the menu today.”
- ✔ **News:** “Alexa, ask my community for the news.”
- ✔ **Mail:** “Alexa, ask my community if the mail has arrived.”
- ✔ **Weather:** “Alexa, ask my community what the weather is.”
- ✔ **Help:** “Alexa, ask my community how Alexa can help me.”
