

Online Engagement: Resident Experience Survey

Imagine the possibilities....

1. What if the Cubigo resident engagement platform could....?

2. Imagine a Voice Assistant (like Alexa) that's connected to a community's engagement platform. How would you use it? Write all of the possibilities.

3. What other technologies could help residents live their best lives?

**If you would like to share your contact information to discuss anything further, please enter your information below.*
